He gave a confession that was taped. What he said in the confession is not what really happened. He was trying to cooperate with the officers thinking he was going to get a lesser penalty based on their statements to him. He signed the waiver. He told them he still wanted to have an attorney even though he signed the waiver. The cops drew a picture with the name in the street with a man driving a car down the road, he runs over him accidentally. Then he drew a picture of a man in the same situation being run over intentionally. The cops told him they have enough evidence to prove that he killed the man so if you do not tell them what happened the punishment will be alot stiffer. He replied that he did not want to be a snitch. There were 2 cops and the other one asked me if I was involved in any robberies in Losantiville.

He was arrested on January 20, 1994 at 5:30 p.m. at the McDonalds on Hamilton Avenue. He was in his car, Ford Fairmount 1980. He was arrested by Mount Healthy Police Department. Cops I gave the confession to were both Cincinnati Police and Fairfield Police. I did sign credit card slips with his name using his credit card at a JC Penneys in Tri-County, Northgate and Eastgate Mall. When I was arrested they took my hat, my sweatshirt, tee shirt, my gym shoes. The gym shoes were Nike Air Max.

Juvenile Record - He has a grand theft auto at the age of 16.

There was no snow or anything to make tracks in when the killing occurred. There was no snow at the dumpster where they dumped the body. It was not muddy. They picked him up somewhere at a bar in Fairfield.
